BMW Motorcycle Owners of Georgia and BMW Motorcycles of Atlanta **1st Annual** GEORGIA MOUNTAIN ADVENTURE.

BMW Motorcycles of Atlanta invites you to join in on a weekend of Dual Sport fun in the North Georgia mountains Friday Sept 27th thru Sunday Sept 29th. If you can join us, please send Bob Sr a quick email with a head count so we can make sure to have enough food Saturday night and of course plenty of liquid refreshments for around the bonfire. If you have already RSVP'd with the club there's no need to contact us.

A casual event largely focused on off-road riding around Suches for BMW Motorcycle Club of Georgia members and BMW Ducati Husqvarna Motorcycles of Atlanta invited VIPs.

There's a program of rides planned, all FREE. There are also some road riding alternatives if you do not want to play in the dirt, and plenty of opportunities to just hang out and socialize if that's more your pace!

Not a club member? *Maybe this is the perfect reason to join!*

A LITTLE MORE DETAIL

Club members and a guest, and BMW Ducati Husqvarna Motorcycles of Atlanta invited VIPs, are all welcome to join the first Georgia Mountain Adventure from Friday, September 27th to Sunday, September 29th.

This is a casual event largely focused on providing off-road excursions around Suches. Our base will be the Two Wheels of Suches Motorcycle Campground & Lodge. The program is split to cater to the most die-hard dirt biker and those whose might not previously have ridden on anything other than pristine tarmac.

Activities are at, or start from, Two Wheels of Suches. Parts of all rides will be on public highways which means all bikes must be road registered. The Road Ride and activities such as camping, dining, etc., are open to all. Dual Sport Rides are NOT suitable for road bikes with street tires. All makes of bikes welcome.

There is NO charge to participate in any ride. There will be a FREE specially catered dinner Saturday night. Free because the club will pick up this tab for each member and their guest, and BMW Ducati Husqvarna Motorcycles of Atlanta will pick up the tab for its invited VIPs. Other than that, everyone will pay their own way for accommodations, food and beverages (the onsite restaurant vends breakfast, lunch and dinner and has a beverage service). Makes it easy to dip in and sample just a part of the program, or hunker down for a full weekend of activity.
